

Pak Orient Industries

Manufacturer of Sheet Metal Parts

www.pakorient.com

Message from CEO

Pak Orient Industries was established in 1989. Since then we have been making utmost efforts to cater our customers need. We value our customers and manufacture products with all commitment. The benefit that we can provide to our customers, is our prompt response.

This is a very exciting year for Pak Orient Industries. The team at Pak Orient is fully charged to provide maximum value to all of its partners. The enthusiasm to innovate, grow, expand and excel drives the strategy for the year.

Pak Orient prides itself in having the best possible human resource pool and conducts its business with highest level of integrity and transparency, which forms an integral part of its core values

I would like to thank to our stakeholders, customers, employees and the entire community for trusting us and giving us an opportunity to provide them with our unmatched product and services. We would like to continue providing you with even better services in the years ahead.

M. ShujaulHaqSiddiqui

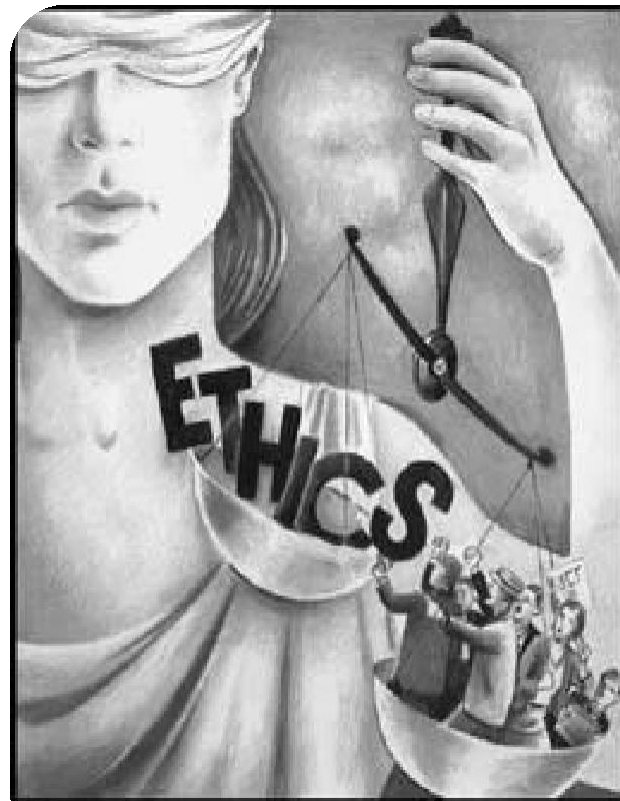

C.E.O.

Pak Orient Industries.

OUR BUSINESS ETHICS:

- Company shouldn't ever concern about profit, we believe that if we succeed to cater your need then the profit will be the fall out.
- We understand that our risk is your risk that's why we always formulate those kinds of strategies that pacify your concern.
- Pak Orient never leave customers in difficult situations.
- Our employees are highly motivated that they are dedicating their energies to fulfill your requirement
- We are preparing and expanding our business that makes us align to meet your future needs.
- Our faith is in customer oriented policies.

Vision:

To be the most valuable supplier in customers' eyes.

Mission:

Our first and foremost priority is to cater automobile industry amongst adding value to customer's product. We do manufacture and supply components as per our precious customer requirements through using technologies and automated processes and we also endeavors for continuous improvement in quality management system. By building strong supply chain we are endlessly eliminating redundant practices that lead us to bright and prosperous future. Pak Orient is committed to do all business activities in most ethical manner and give respect to the rights of its employees and all other citizens.

Pak Orient is committed to identify the changing need and expectation of the customers and aligns processes and procedures to their requirements. We provide defect free components on customer specific demand at most competitive rates. Pak Orient continuously trains their staff to work in accordance with the policy and also promotes the culture that everyone in the company is responsible for better quality.

SKILLS AND FACILITIES

- We have been catering automobile industry for 26 years. Since then our learning curve is moving exponentially.
- Turnover 55 million per year with investment of 35 million.
- We are expert of sheet metal parts.
- Our main expertise is in manufacturing of brackets, beam batteries, stays, levers and panels.
- Working with 50 employees.
- After focusing on engineering side for many years, we are now also trying to improve our financial knowledge which helpus to understand contemporary industry requirement.
- Following are components being manufactured by Pak Orient.

ACHIEVEMENTS

FACILITIES

PRESS SHOP

Power Press	200 Ton	1 Nos.
Power Press	120 Ton	1 Nos.
Hydraulic Press Double Action	200 & 120 Ton	
Power Press	100 Ton	1 Nos.
Power Press	80 Ton	1 Nos.
Power Press	70 Ton	1 Nos.
Power Press	50 Ton	2 Nos.
Power Press	35 Ton	2 Nos.
Power Press	15 Ton	6 Nos.
Power Press	10 Ton	1 Nos.
Power Press	05 Ton	1 Nos.

WELDING SHOP

Spot Welding M/C	75 KVA 1 Nos.
Spot Welding M/C	50 KVA 1 Nos.
CO2 Welding	500A
CO2 Welding	250 A
CO2 Welding	280A
Arc Welding Transformer	600 Amp
Arc Welding Transformer	450 Amp

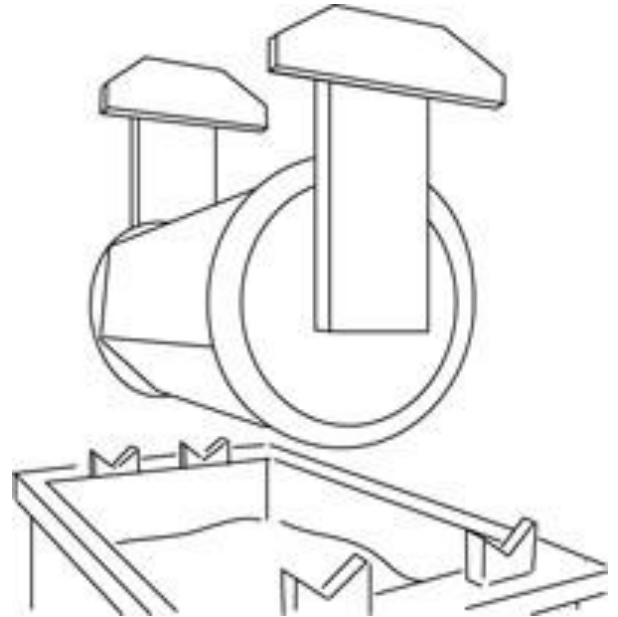

Surface Treatment Facilities

Galvanizing Facility

- 3 Barrels (Capacity 500 kg per day)
- 1 Dip Tank (For delicate Parts)

Shades: Rainbow, White & Green

Spray and Powder Painting Facility

- Convenient Paint Booth with 3 Ovens

In house Development

CNC Milling Machine

Make: Hurco

Travels:

X-AXIS: 31" or 787mm
Y-AXIS: 14" or 356mm
Z-AXIS: 6" or 150mm

- Lathe Machine 5 ft bed 2 Nos.
- Shaper 18"
- Surface Grinder 18"
- Tapping and Drilling Machines

Shearing Machine

Bed Size: 6 feet

Capacity: 3 mm

Testing Facilities

Salt Spray Testing

Make: INSIZE

Model: SFT-S210R

Hardness Testing

Make: INSIZE

MOTORIZED DIGITAL ROCKWELL HARDNESS TESTER

Model: ISH-MRD200

Capacity: (HRB,HRC,HRA,HRD,HRF,HRG)

Galvanize Chemical Testing

Zinc Metal

Zinc/Potassium Chloride

Boric Acid

Coating Thickness Testing

Make: Elcometer

Model: 456

- Force Gauge (10KN)
- Torque Wrench (110NM)
- Current Analyzer
- Height gauge (12")
- Tape gauges
- Radius gauges
- Micrometer
- Vernier Caliper

Backup Facility

Two Diesel Operated
Generators,

- 60 KVA
- 25 KVA

Transportation

Pickup with Trained Driver

- To cater normal and urgent deliveries.
- To transfer raw materials and supplies safely even in strikes.
